Lindquist, von Husen & Joyce LLP was founded in 1935 and consists of over 40 professionals who provide audit, tax and business advisory services primarily to local closely held businesses, real estate developers, property managers and nonprofit organizations. Our firm consistently ranks in the 20 largest CPA firms in the San Francisco bay area.

We are looking for experienced senior auditors. The senior auditors will work exclusively on audit and agreed-upon-procedures engagements and will perform all audit processes from planning through report preparation. Senior auditors work under direct supervision of audit supervisors, managers or partners, and are expected to maintain the firm's standards for excellence, which have resulted in unqualified external peer review reports for the past 30 years.

Qualified candidates will have a minimum of two years of prior CPA firm audit experience, a bachelor's degree in accounting, successfully passed the CPA exam or the intention to take the CPA examination in the near future. Good verbal and written communication skills are essential. Experience in real estate partnerships is a plus.

Our attractive office is one block from the Montgomery Street BART station and one block from Yerba Buena Gardens and the Sony Metreon complex. Most of our clients are in the San Francisco bay area, although out-of-town travel may be needed in rare circumstances.

Our firm is a fast-paced environment with an opportunity for a long-term career and rapid advancement for qualified employees.

We offer a flexible work schedule and competitive salary and benefits including 16 days of paid time off during the first year of employment. We also pay 100% of health and dental insurance premiums for employees, provide higher education reimbursement, 401(k) and cafeteria plans, and allow business casual attire at our office.
